Don,
To one of
the greatest guys
I ever met. Remember
back in 7th grade when
you first moved here and
we were in the same section
together. I think at first
threat the other was a little weird.
Especially when you talked about
basketball, at the time I had to admit, you
were B-Ball was but, I have to admit, you
coming to the game worthwhile. You'll look up
keep playing at college and eventually
in the "pros". Someday you'll look up
and see it, keep playing, I know you, here's a free ticket to
in the "pros". Someday you'll look up
and see it, keep playing, I know you, here's a free ticket to
"hey" Dianne! Well anyway, when you & Steve play
summer get me too! Best of luck after
graduation and keep in touch!
PS. Keep Dianne Love always,
out of trouble Jayme
me by year!

(over)

Don

To the best guy friend I've ever had. I dont know what to say or how to start. The first time I ever knew **any**thing about you was 9th grade in Wynn's class when you sat in front of me until I got moved. You used to read her papers and look at the bra ads! I got to know you a little better the next year but I think we became real friends last year. Remember our Chem labs with Kiss and how I used to get mad at you for never working. Instead you squirted water at Ed Thomas! How you ever started to call me pissed I dont know but it sure did stick, didnt it? This year we've had alot of fun. Remember the night you took Chris Anne & I to Becky's Christmas party. And all the time I tried to talk you into liking a certain friend of mine who was in love with you. And the times you told me about people who you liked. It always took a while but you gave in and finally told me who it was. You almost went to the same college as (p.194)

Don,

You are truly a very special friend. Our friendship has grown strong through our hardships. We certainly have had a lot of fun. Let's see, the night we met was the night of Texas Party when the next day you had SAT & Becky's party when the nashmellows got stuck in the vacuum & we talks we had a real encounter! Can't you see us in gym and in B-ball. By your last as much as we did. I hope that we will always stay in touch because you are a special friend & I want to keep it that way. Love ya - Lots, '82

Dedication

Throughout our educational careers, we have had numerous teachers who have influenced us in various ways. With each passing year the number of teachers whom we look up to has grown ever larger. Although some teachers have played more decisive roles than others, we find it difficult to choose one individual to pay tribute to. Therefore, we, the members of the Class of 1982, wish to express our gratitude to each and every teacher who has helped to shape our lives. To you, teachers, we say, "Thank-you."

1. To those teachers who coached us.
2. To those teachers who guided us.
3. To those teachers who befriended us.

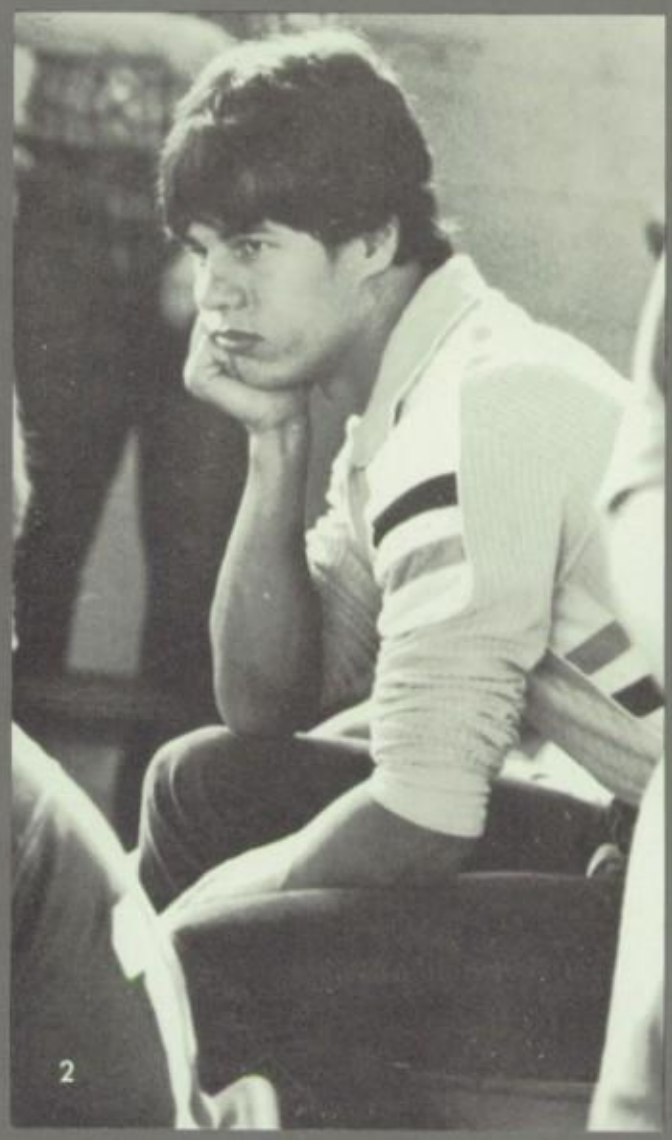
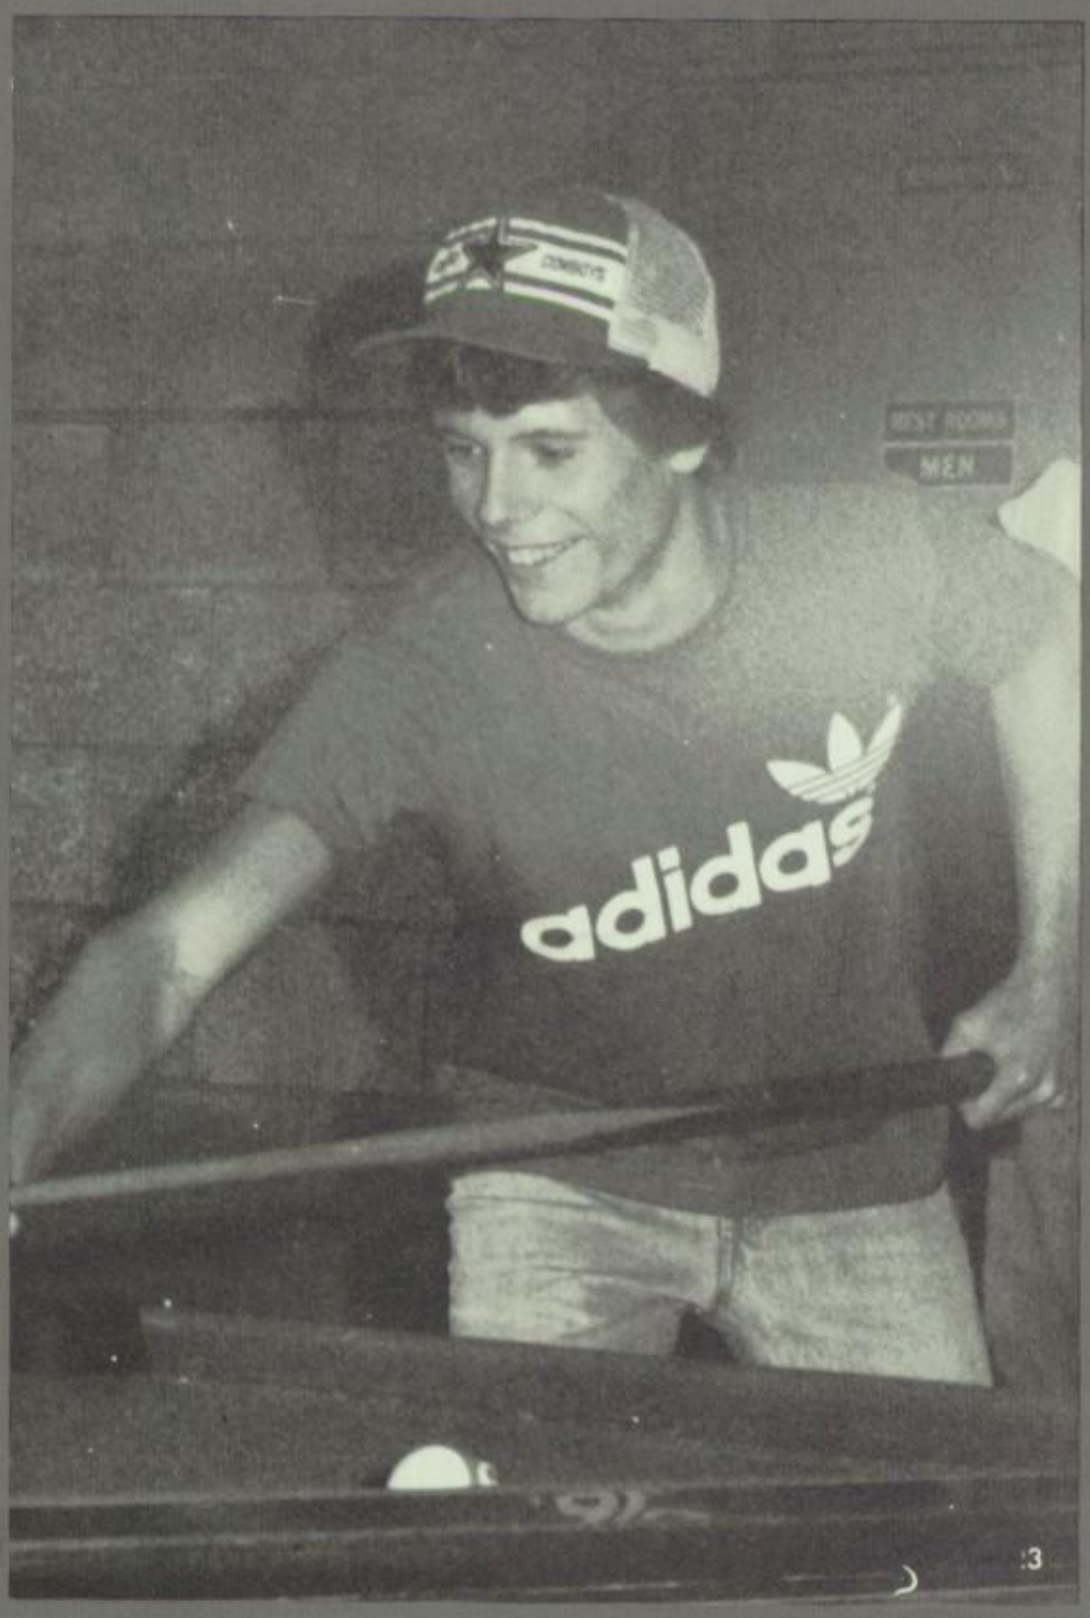
A Record for Our Memories

No senior class is ever complete without a record of their achievements, defeats, and members. This chronicle helps to bring back the brightness, the darkness, the awards, the injuries, the applause, and, most of all, the faces that made these years so important.

1. C. Foor, J. Bickhart, and L. Hetherington pose for a picture during decorating. 2. M. Daily bobs for apples during her section of the Homecoming skit. 3. E. Watts passes class.



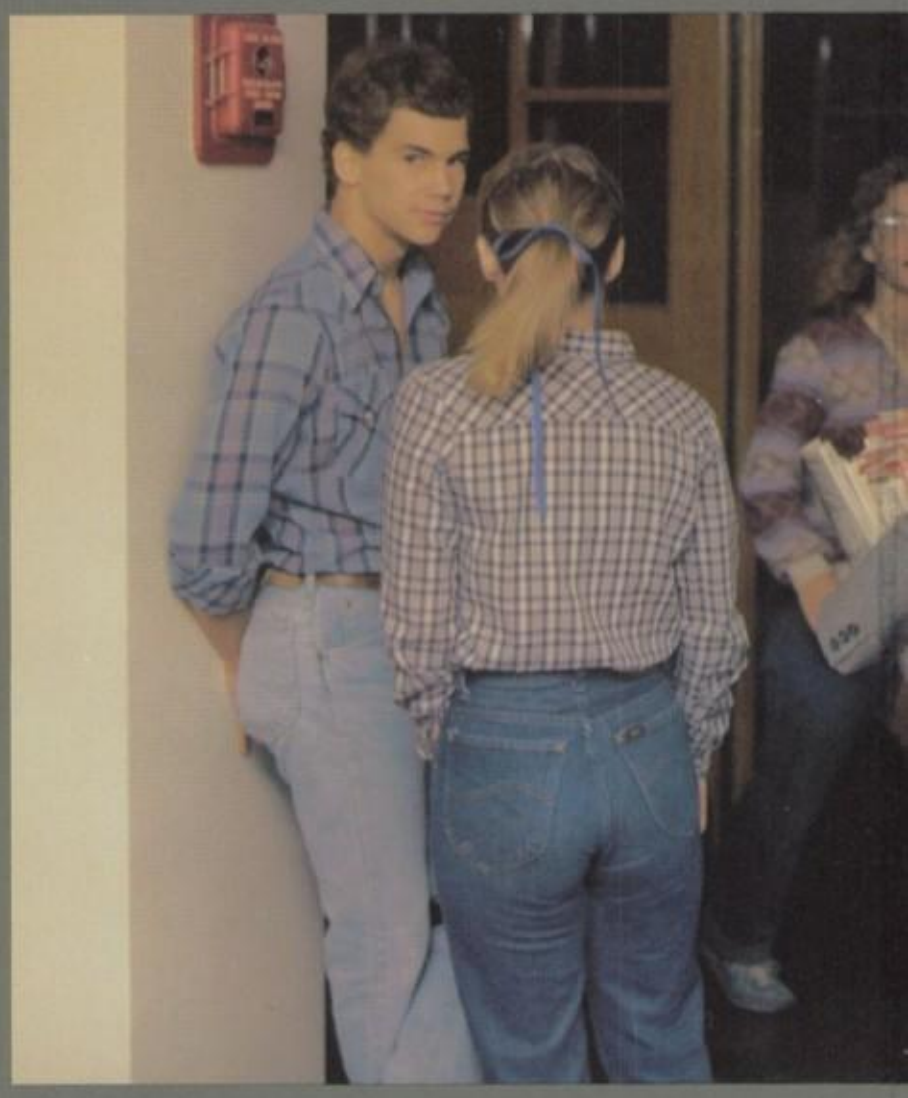


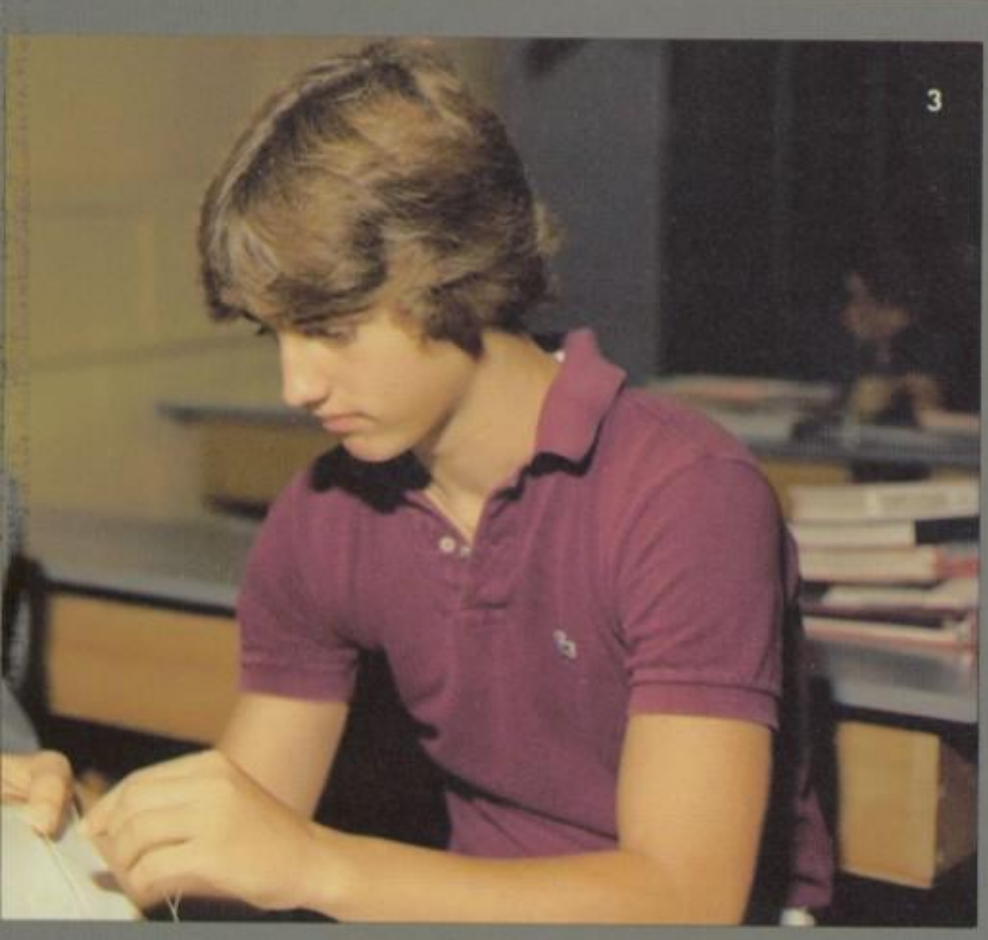
1. T. Thomas, A. Hartley, J. Herrold, L. Hoover, B. Maurer, and K. Cottle rest after decorating for Homecoming. 2. E. Brosius displays "enthusiasm" during pep rally. 3. E. Thomas takes time out from rollerskating to play a game of pool at Sunset Rinks. 4. M. Glassic and L. Sears accompany Ninth and Tenth Grade Chorus.

Remembrances for All Times

The 1982 Cynosure is such a record: faces — events — memories — all that made the past year unique. And in this record all these memories are depicted with pictures, art, and writing to enhance their meaning and to make them remembrances for all times.

1. L. Morton displays strength while decorating for Homecoming. 2. T. Brubaker, S. Bisbee, and J. Barner enjoy each other's company at the Homecoming festivities.





1. Between classes, D. Musser, L. Snyder, and M. Lauer pause to talk. 2. J. Glover makes use of library materials. 3. T. Miller works on shop project. 4. D. App gazes at the Homecoming decorations.

Special events and special people highlight every school year. This year was no exception.

The queens and their courts were spectacular. Homecoming and White Christmas assemblies and dances were beautiful.

The dramatic presentations were great successes. The actors and actresses learned their lines and performed their roles with expertise. The music enhanced the performances by adding to their many moods.

A touch of class came through the elegance of the Prom and Post Prom and the crownings of the kings and queens.

And all of these events and people are recorded on the following pages.

This Page:
1. B. Eberle helps A. Faust apply make-up for the Junior Class Play. 2. J. Hendricks becomes Homecoming Queen as her court looks on.

Celebration

Jayme Hendricks Reigns Over 1981 Homecoming

In keeping with tradition, the 1981 Homecoming festivities held October 2 were truly as spectacular as ever. The theme of the afternoon celebration was "Autumn." There was a skit performed under the title "Lives of the Seniors," which was narrated by Becky Eberle. While the band played the Coronation March, the Homecoming Court members were introduced by Jerri Anselmo.

1981 Continues Tradition of Homecoming

Although the occasion was an occasion for all to remember, the girls of the court were especially overwhelmed. Each was presented with a beautiful basket of silk flowers for the afternoon ceremony. Last year's queen Sue Hockenberry crowned Jayme Hendricks as the 1981 Homecoming Queen. The queen and her court were then escorted out of the gymnasium by their escorts as the finale to the traditional crowning ceremony.

Festivities End With Game and Dance

During halftime of the football game, the girls and their escorts were introduced. Each senior representative was given a long stem rose and the reigning queen was given a bouquet of roses. Following the game there was a dance featuring Jaysenn Grand which brought the 1981 Homecoming festivities to an end.

"Rainbows and Waterfalls" Enhance Prom Night

With "Rainbows and Waterfalls" as its theme, the 1981 Junior-Senior Prom shined through as a memorable occasion for many. On May 16, 1981 some 300 people danced to the music of the group "Peach" and dined in the cafeteria at S.U. Many found Susquehanna University's Mellon Lounge a pleasant place to escape to and enjoy the beauty of the occasion. As a token for remembrance each person who attended was given a scroll with the date, a place for their picture and the school's Alma Mater inscribed on it. The 1981 prom court was announced by Junior Class President Chris Anne Beardslee as follows: Valerie Inch, Troy Dagle, Kathi Rhoads, Steve Deckard, and King and Queen, Alan Troutman and Deb Hartman. May 16th was definitely an occasion which will long be remembered by many.

Carnival Theme Decorates the Post Prom

The "Carnival Theme" of the 1981 Post Prom held on May 17 was well suited for the environment. Those who attended found themselves in a "big tent" surrounded by "clowns" and balloons of all colors. The atmosphere was generally cheerful as people socialized at the tables set throughout the cafeteria and others danced in the gym to the music of Jaysen Grand. The 1981 Post Prom Court was introduced by Junior Becky Eberle. The court was as follows: Koren Kissinger, Mike Keller, ChrisAnne Beardslee, Matt Lutze, and King and Queen; Jayme Hendricks, and Eric Aucker were crowned by last year's king and queen; Jeff Smith, and Kathy Feeher. By 4:00 most of the couples had gone, but the memories they acquired will long be with them.

High School Auditorium Echoes With "The Sound of Music"

The 1981 Musical was extremely involved in terms of cast, stage and lighting. Much hard work and effort from everyone involved were the primary factors in presenting such an enjoyable production. Portraying the lead roles were Lisa Hoover, as Maria, and Jim Davidson, as Baron von Trapp.

The musical itself was a tale of love, adventure and faith. It was also a combination of scenic beauty, and the magic of song. The hearts of all who attended were truly blessed by "The Sound of Music."

All School Cast Present Successful Musical

The annual all school musical, "The Sound of Music," was a monumental success. Under the direction of George Cravitz and Rolla Lehman, the performance was felt to be one of the school's finest displays of talent ever encountered.

1. B. Eberle makes a move on M. Keller while his girl B. Witkop awaits his answer. 2. M. Reed is surprised with the part he gets. 3. N. Reggia shows her emotions. 4. J. Muller plays young black boy.

Juniors Produce Fun and Excitement

The Class of 1982's Junior Class Play, "Curtain Going Up," was a rewarding experience of fun and excitement for the audience, for the directors, Mr. Heilman and Miss Shaloka, but, most importantly, for the cast who will never forget the joy that came from putting on a successful play.

Ironically, the cast enjoyed creating a production concerned with the trials of putting on a high school production. It's not easy, as Miss Burgess, a new teacher at the high school soon learns. Any thing can happen . . . and usually does: stolen playbooks, interfering parents, and disagreements among the cast.

1. Play Cast: Row 1, L to R: D. Strickler, K. Miller, C. Beardslee, R. Charles, S. Weader, G. Renninger. Row 2, L to R: L. Re, A. Potter, L. Beckie, K. Delosier, N. Reggia, L. Gard, M. Reed, M. "Curtain Going Up" Presents Problems of Play Production

The other characters offer a comical atmosphere: an athlete feeling out of place as an actor, a stagestruck leading lady, a grumpy old janitor, and a student fond of playing little practical jokes. Most of all, though, there is Mr. Carter, who has his own romantic interests in the young Miss Burgess. These problems and characters almost cause Miss Burgess to abandon her first production. But, despite all that has happened, the play comes off a great success and Miss Burgess can now relax, and concentrate on her new found love, Mr. Carter.

1. D. Lengel expresses his anger to J. Muller. 2. R. Meiser shows excitement. 3. C. Erdly does B. Witkop's make-up.

Fraternities Appear on SAHS Stage

Toga! Toga! Toga! was the resounding cry of this year's Senior Class play. Under the direction of George Cravitz and Jane Bower, the play deals with an enterprising young man, George Brewster, trying to keep his struggling high school fraternity in operation. The only way he can maintain this organization is to rent his spare rooms.

His efforts are hampered though by a number of other characters: Miss Woebegone, the high school's very persistent principal; Mrs. Moontrap, a meddlesome neighbor; and Murdock Biddleston, the president of the opposing fraternity, who, along with associates, Murray and Melissa, almost ruin Alpha Beta House.

George's only support comes from his faithful girlfriend, Velma.

Selingrove Seniors Go Greek

The lively humor and fast paced action of "Toga! Toga! Toga!" was helped along by Fred, Curt, Alex, Nora, Myrtle, Vegetable, and the other students at the high school.

The hard work and dedication of the cast, crew, and directors made "Toga! Toga! Toga!" one of the most popular and successful theatrical productions of Selinsgrove Area High School!

1. Mr. Cravitz snaps his own pictures. 2. T. Myers, K. Delosier, and M. Keller induct T. Cook. 3. Toga party takes off.

Days of Christmas

With all the excitement and holiday spirit, the 1981 White Christmas Ceremony kept well in tradition with previous years. During the morning, volunteers decorated downtown Selinsgrove with Christmas trees and lollipops. This year's theme, "The Twelve Days of Christmas," was presented through a story acted out at a high school assembly by Sharon Hockenberry with help from members of the student body portraying the gifts of the twelve days of Christmas. Koren Kissinger, announcer of the program, introduced the members of the court.

Fifty-three members of the class of 1982 chose to take advantage of the services and equipment used in training students for future occupations at the Sun Area Vocational Technical School. This school offers specialized studies in various shop activities. Through these studies students learn the necessary skills for the occupation that they have decided to pursue after high school. Some of the career choices offered to Tech students are cosmetology, data processing, mill work, and auto body repair. Some of the seniors actually experience their future occupation through on-the-job training, through the Co-op program.

Personal Achievement Exists in Attitudes of Student

Specialized training is not the only beneficial aspect of Vo-Tech. A high standard of personal achievement exists in the attitudes of the students who attend this school. A professional and disciplined atmosphere is an important part in the shops success.

SUN-AVTS has a chapter of the Vocational Industrial Clubs of America. This nation-wide organization holds contests in various shop activities. The outstanding students in each shop are sent to compete on district, state, and national levels.

SUN-AVTS offers a very valuable learning experience, and for the 53 students in the senior class, this education may turn into a life-long career.

Susana Nasserie came to Selinsgrove on September 2 from her home in Banoung Indonesia. Her first impressions of the U.S. are that it is a very beautiful country and that the people are extremely friendly. On returning home she intends to finish college and major in engineering.

During the 1981-1982 school year, Vebeke Austad, from Drammen Norway, attended Selinsgrove Area High School. She enjoys playing basketball and is interested in horses. Vebeke hopes to continue her education in the medical field.

Barb Witkop received a commendation from the 1981 National Merit Scholarship committee. Requirements for this honor include scholarship and inclusion in the PSAT Index. Barb hopes to attend the University of Virginia.

The 1981 DAR winner, Michelle Shaffer, was chosen on the basis of leadership, citizenship, and scholarship. Her future ambitions include attending James Madison University in Virginia to major in either public administration or physical therapy.

Dominating the international scene during the 1981-1982 school year was a rash of hostile events. Among these events were the assassination of the Turkish Consul General Kernal Arikan in Los Angeles, a NATO official in France, and Anwar Sadat in Egypt. Brigadier General James Dorzier was kidnapped and held captive for forty-two days by an Italian terrorist group before being freed by Italian police.

Prominent on the national scene during the 1981-1982 school year was the second launching of the Space Shuttle Columbia. President Reagan authorized the largest federal income tax cut in history. The nation was informed of the death of Omar Bradley, the last five star general of World War II. The first American test tube baby was born.

The nation also experienced an increase in commercial airline crashes. The Air Force lost all four of its Thunderbirds and their pilots during a training routine for an upcoming air show. The Los Angeles Dodgers defeated the New York Yankees to become world baseball champions, and the San Fransisco Forty-Niners defeated the Cincinnati Bengals to become national football champions.

On the local scene Selinsgrove and Shamokin Dam elected new mayors. For the first time in ten years, the Selinsgrove Area School Board has a new president, Michael Anderson. Harley Parker was elected the new District Justice. And the area saw the opening of a new bowling alley, Super Bowl 522.

Special activities and special people highlight every senior's year. This year was no exception.

This class was filled with a variety of students each with their own outstanding qualities.

The graduating class of 1982 contained many superior athletes who proved their ability at games, matches and meets.

Not only were seniors athletic, but very active in academic fields. They proved their intelligence by obtaining various scholastic achievements.

In addition to these accomplishments, the Seniors were also gifted in the Arts. They expressed their talent in many forms.

All these people and their accomplishments are recorded on the following pages.

Seniors Develop Closeness Throughout Years

The Senior Class is very enthusiastic, competitive, and hard-working, but most of all, the Senior Class is very close. Throughout the years, the class has been involved with many activities. The class has held dances, produced two plays, hosted a prom and travelled to Florida. Through all the events its members have grown closer and accumulated many memories. These friendships and memories they have experienced will stay with them forever.

Alma Mater

Hail Alma Mater — our cherished mother.
Hail to thy glorious name
May it have wide fame.
God grant that we maybe — of your past worthy.
And that in future years — you may have no peers.

But It Looks Like We Made It

Our last football game,
Our last play rehearsal,
Soon it will be our last dance,
our last test,
our last class,
our last sigh,
our last glance,
But it will be our first good-bye.
Certain events mark the countdown,
One by one they are checked off.
Soon it will be time to part.
Should we start letting go now?
Will the pain be less in the end?
Or should we hold on?
Whatever we do, time will continue
To slip slowly away,
And soon, all we'll have left
Is our memories.

Lora Schrock

Special sporting events and special athletes highlight every school year. This year was no exception.

Our fall sportsmen faced hardships and accomplished superiority. They showed spirit, set the pace, and drove long.

During the winter season, the sportsman showed endurance on the mats, displayed striking abilities, and shot through their games with ease.

Proving our school's great athletic ability, the spring sports faced problems with leaps and bounds, ran with ease and had a successful season, batting a thousand.

And all of these events and people are recorded on the following pages.

Games People Play

Football Team Carries On Tradition of Pride

The 1981 varsity football squad played the toughest schedule in the history of the school. Though burdened with injuries and inexperience the team portrayed an overall fabulous attitude. Coach Scott felt the defense played a very important role in all of the games. This year again the continual tradition of pride may be carried on. The squad played their best against the toughest and made everyone proud of the overall fight and determination they pur forth.

Season Proves Seals' Determination

Williamsport, a formidable opponent, was added to Selinsgrove's schedule, and the Seals proved their worth as they held the Millionaires to a five point win. Likewise, the Seals were the first team of the season to score against the Shikellamy Braves. The seniors, as a whole, kept things together. The underclassmen proved their dependability as they helped to overcome the obstacles faced by the 1981 football team.

Cheerleaders Do More Than Cheer

During the 1981 fall cheerleading season, the Varsity squad showed excessive spirit during practices, pep rallies and games. Along with all these activities during the school year the Varsity cheerleading squad attended The Pocono Sports Camp.

At camp, the girls learned cheers, dance routines and other fundamentals related to cheerleading. The squad received such honors as three red "Excellent" ribbons; two blue "Superior" ribbons, and the spirit stick.

The squad under the supervision of Mrs. Anderson, Mrs. Lendh, and Mrs. Ludwig had a football squad consisting of six seniors and four juniors.

The Junior Varsity squad went through several changes and adjustments with three new girls who were in their first season as cheerleaders.

The Selinsgrove Area High School's Cross Country team broke through the final ribbons with a feeling of accomplishment and success. Coach Tini felt that his team was well balanced even though there was only one senior on the varsity squad.

This was the first year that there was a full girls' team and that every girl on the team ran. Captain of the cross country team was John Szverra. The highlight of the season was the team's defeat of Shikellamy at Shikellamy. Mr. Tini is very pleased with the teams' achievements even though their overall record did not display their success.

Girls' Field Hockey Ends Successful Season

This year's field hockey team proved to themselves and to their opponents that they would not be a pushover by ending the season with a 9-7 record. Coach Donna Prince felt that the girls never lost pride in themselves and never abandoned the goals which they set early in the season.

Girls' Hockey Set High Goals

To play their best in league and district play and to proudly represent their school were high goals that these girls set and achieved for themselves. Despite their lack of experience, the girls worked hard and played their best in league games and district playoffs. Kathy Schlingmann, Michelle Shaffer, Sharon Hockenberry, Diane Gingrich, Lucy Meiser and Kristen Stringfellow, who played her first year as Varsity goalie, were all outstanding players. The girls' enthusiasm and determination helped bring them through another successful season.

Golf Team Is Up to Par

Under the coaching of Chet Rowe, the golf team finished another outstanding season with a record of 16-3. The two seniors on the team are Laura Hoover and Bart Turk.

The golf team's season was highlighted by crushing the Braves and just by having an overall good season. In addition, Laura Hoover's year was considered exceptional because she went on to participate in and place third at the state championships.

Tennis Team Repeats Success

The girls' tennis team, coached by David McCarty, found Williamsport to be their toughest opponent. After the opening match, the girls' tennis team went on to win seven consecutive matches ending the season with a 7-1 record. The team also went undefeated against teams in the Susquehanna Valley League. Coach McCarty felt that team effort was a contributing factor to the success of the team.

Young Team Has Experienced Coach

The Selinsgrove Area Wrestling Team under the supervision of Coach Dick Smoker, who has returned for his twenty-fifth year, was a young and robust team.

The match with Warrior Run was the most exciting match during the season. The Shikellamy match was the most difficult match in which the young team was involved.

Cheerleading Squad Warms Up Icy Season

The 1981-1982 wrestling cheerleading squad showed great amounts of school spirit throughout the cold, icy season.

This year's squad consisted of senior captains: Tammy Nichols and Jody Gardner; seniors: Juli Herrold, Koren Kissinger, Lori Nichols, and Wendy Newcomer; juniors: Kellie Lendh, Beth Moyer, and Shelly Ritter; and sophomores: Kelly Clark.

The squad was changed from JV and Varsity squads to only a Varsity squad, helping the girls reduce their game responsibilities during the week.

New Coach Improves Team's Strategy

Under the new leadership of Jim Beddall, the 1981 boys varsity basketball team played well together and worked hard to improve their team strategy. Each person contributed his time, concentration, and abilities to the overall skill and successful season of the team.

Team Savors Shik Defeat

The two seniors on the squad, Ed Thomas and Don Harnum, played key roles in all games. The other starters consisted of junior Scott Lyons and sophomores Mike Harnum and Bill Caviston. Perhaps the team's most savored victory was their defeat over Shikellamy. All the team members had super attitudes and worked hard to develop the total team concept their coach felt they achieved.

Basketball Squad Dominated by Underclassmen

The 1981-82 winter cheerleading squad was full of pep and spirit despite all the delays and cancellations of games due to bad weather conditions.

This year's varsity basketball squad was composed of two seniors captains: Lisa Gard and Jerri Anselmo; three juniors: Lisa Anderson, Becky Reed, and Cathy Herrold; and five sophomores: Tracy Harris, Darlynn Smith, Stacy Lange, Wendy Goodspeed, and Niki Moll.

Under the supervision of Susan Anderson, Celi Lendh, and Jerri Ludwig, the squads were changed from a JV and Varsity set-up to a strictly varsity squad. This change seemed to be beneficial in helping the girls reduce the number of nights they cheered during the school week.

Even though this squad was in a transition period, the girls seemed to be as enthusiastic, loud, and full of spirit as in previous years.

Ambition Carries Team Through Season

The Selinsgrove Girls' Varsity Basketball Team led by senior co-captains Laura Hoover and Michelle Shaffer shot through the season with strong ambition. The girls' ability to work and play well together was due to the many long, hard hours of practice during the regular season and during the summer and fall months.

Team Uses Strong Defense

Although at times the team as a whole may have lacked concentration during a game, they would come back with strong defense and rebounding to prove that they could play basketball as well as anyone. The 1981-82 team was composed of three seniors and eight juniors. Coach Seitz considered each and everyone of them an outstanding player.

Bowling Teams Roll Through Tough Matches

The girls' varsity bowling team faced several tough matches. Danville was the toughest they encountered and the girls tied with team. The most outstanding members of the girls team were Becky Eberle and Donna Laukaitis, who is the best girl bowler in the league. James Rutkowski, the coach of the team for 12 years, has never had a girls' team with such good quality players and the determination to be champions.

This year was a rebuilding period for the boys team. Despite the fact that the boys' team had no seniors, they still gave an all-out effort. Their match with Shikellamy was their hardest match. Kerry Wagner and Tim Benner are two of the impressive bowlers on the varsity squad.

Boy's Track and Field Repeats Success

The large supportive crowd and the decisive win over Milton highlighted another track and field season for Selinsgrove. Under the leadership of Coach Don Wilhour and assistants John Tini and Fred Lenig, the team has ended the year with a successful season. With triumphs over Milton and Danville, two of the toughest opponents in the league, the team has achieved a dual meet record of 97 consecutive wins.

Team Continues as SVL Champions

Adding to their list of victories Selinsgrove won the league title for the ninth straight time and finished second in the District IV. Meet held in Williamsport. At the State Championships Bill Bertinet took first place in the pole vault with a jump of 13′ 0″. Coach Wilhour regards the supportive crowds and the outstanding efforts of Eric Aucker, Bill Bertinet, John Cawthern, Troy Dagle, Steve Deckard, Andy Fletcher, Rick Gordon, Rich Grosse, Mike Henry, and Phil Mowry as factors in the team's successful season.

Girls Track and Field Continues Super Record

Coaches Prince, Bechtel, and Laurer, under the experienced management of Leann Reichenbach, the Selinsgrove girls track and field team ended another solid season with a 7-2 record. Kathi Rhoads, Kristin Weber, Tracy Longacre, and Angie Brosius helped guide the team through another successful season as supportive captains. Defeats by Lewisburg and Williamsport did not hinder the team's vivacious spirit; they went on to accomplish a high team standing in league championships and in the District IV meet.

New Team Serves Winning Season

Despite climatic conditions, the boys' tennis team's attitude and desire to play tennis were the contributing factors for their successful season. Having been members of the tennis team for three or four years, the seniors, Jim Davidson, John Rising, and Mike Styrcula, were well experienced. Coach McCarty, when asked who were the team's outstanding players, commented that he considered each member of the team to be an outstanding player. The tennis team considered Danville to be its biggest rival, but found Central Columbia to be one of its toughest opponents. This year's boys' tennis team had an extremely successful season ending with an 11-3 record, the best in Selinsgrove history. They were also one of the top teams in the district. The highlights of the season included Jim Davidson's and Don Harnum's advancements to the district semi-finals.

Teamwork Pays Off for Seals Softball

Minor injuries and rainy weather were the few problems that the softball team faced during their 1981 season. The varsity team consisting of five seniors, nine juniors, and one sophomore had a close record of 8-9.

Mr. Thompson in his first season as head coach, praised the girls' playing ability. Even though they had not had a great deal of playing time together as a team, they were able to win the softball classic. Their outstanding defense helped these girls in their triumphs.

No player seemed to surpass the others for each girl possessed her own strong points.

J.V. Promises Bright Future

Under the fine coaching of Sally Houser, the Selinsgrove J.V. Softball team ended their season with a record of 6-5. During the season Teresa Sprenkle, Carla Witmer, Detra Hoffman, and Marian Smith were outstanding players and showed great versatility.

As a new team, the girls worked well together and their hard work overcame their inexperience.

Baseball Team Faces Strong Competition

The 1981 Selinsgrove Area High School's varsity baseball team hit another season of success. Although the team's record, 6 wins and 11 losses, does not relay an image of triumph the boys played a very proficient season. The team participated in a tough league which gave way for strong competition and several close games. Coach Scott feels that the following games deserve recognition: the defeats of Danville, 13-3; Shikellamy, 4-1; and Warrior Run 2-1. Line Mountain was defeated 2-1 in the tournament giving the Seals second place.

Female Athletes Are Recognized

1

The Girls' Varsity "S" Club is an organization provided to recognize those girls who are letter winners in one or more sports. The advisors for the Girls' Varsity "S" Club are Coach Prince and Coach Conn. A function of the club is to earn money to purchase jackets for those female athletes who have excelled in their sports. The club began earning money early in the school year with a bake sale and held several throughout the year. Participation of the members was at a high.

Band Members Participate in Community Affairs

Participating in community affairs is also a part of being a band member. The band marches in the annual Memorial Day and Halloween Parades. They also play Christmas carols at the Selinsgrove White Christmas Tree Lighting Ceremony. Among the bands many other activites are the annual spring concert and Pop's Concert. This year's band performed in the Mummer's Day Parade and Field Competiton at South Williamsport. At the competitoin the band placed first in marching, first in field routine in their division and overall champions.

Student Council Carries Heavy Responsibility

The SAHS Student Council is an organization whose primary responsibility is to represent the entire student body. The organization's goal is to carry out the ideas of the student body and to improve student-teacher relationships. The council also spends a great deal of time organizing school events. This year's Student Council spent a great deal of time striving to increase the enthusiasm of the student body.

Spanish Club Provides Cultural Experience

The Spanish Club gives Spanish students the chance to experience much about the Spanish culture. It exposes to the student all the phases of Spanish culture and language. The club engages in many activities throughout the year. The club is also involved in the celebration of National Foreign Language Week. This past year the organization has expanded in enrollment and has an increased rate of participation.

Health Careers Club Encourages Student Interest

The Health Careers Club was organized for students interested in a career in the health field. Mrs. Moyer, the school nurse, is the advisor of this club.

The club helps with community projects and has several fund raising events, in order to raise money for trips to hospitals and other medical facilities.

The club is composed of boys and girls from 9th through 12th grade. This year the total number of members has increased to 17, however this year there weren't any boys involved.

The four officers of this year's club are: President, Jill Moyer; Vice President, Laurie Schreffler; Secretary, Ann Baranoski; and Treasurer, Lora Dreese.

Chess Team Provides Instruction

According to Mr. Palkendo, the coach and advisor, the chess team is formed to provide instruction in chess and to create a competition chess league for those interested. Early in the spring, the chess team attends a high school chess tournament held at Bloomsburg State College: The seniors on the chess team were Wesley Glass and Dennis Volinskie. The team consisted on a total of fifteen players.

News Magazine Provides Information and Entertainment

Under the leadereship of Editors-in-chief Jim Muller and Kelly Cottle, the newspaper staff worked diligently to create the *Destiny*. *Destiny* is produced to inform and entertain the student body, faculty and community members. Not only is news recorded by the staff, but feature length articles are develped. Investigative reporting is carried out.

Outdoors Club Provides Firtsthand Experience

The Outdoors Club provides students with the opportunity to experience the wilderness firsthand. This year a Parents Booster Club was organized to assist the students with money raising projects and to act as chaperones on the trips. Since 1974 this group of about 50 students has been taking Easter backpacking trips along the Eastern coast. The club also engages in many adventures such as backpacking, white water rafting, and cross country skiing.

New Choral Director Forms Second Chorus

Under the direction of new Choral Director, Fred Hooper, the students involved in chorus rehearsed popular, spiritual, and classical music.

This year two choruses were formed, the Senior Chorus and the Junior Chorus. The Junior Chorus is made up of ninth and tenth graders and contains 134 students.

1. The boys of the Junior Chorus look intently at their music as Mr. Hooper explains rhythm. 2. Mr. Hooper directs the song, "The Best of the Beach Boys." 3. Junior Alto section review their part.

Senior Chorus Grows to One Hundred

Each chorus performed separate pieces of music at the Christmas and Spring Choral Concerts. The ensemble, consisting of seven girls, performed with the Senior Chorus.

Nine members of the chorus participated in the District Eight Choral Concert. The seniors were Laura Hoover, Lisa Hoover, Reva Meiser, and Jim Muller. The juniors included Kellie Pence, Rachel Klingensmith, Jeffrey Kahley, Scott Steele, and James Gautsch.

The Senior Chorus is now 100 members strong and consists of eleventh and twelfth graders.

Yearbook Staff Spends Countless Hours Toward Production

Co-advised by Mr. Bechtel and Miss Shaloka, this year's *Cynosure* staff worked diligently for several hours each week to produce this book. The editors-in-chief, Lora Schrock and Koren Kissinger, with a better understanding of yearbook journalism, expected and demanded the best from the individual sections. Overall, the staff was much smaller, but more dedicated than other years' staffs.

Cynosure Receives Award

In a year of a recession, the advertising staff collected more money than the advertising staffs in previous years. The copy staff was enlarged this year in order to produce more articles for the yearbook. These students attended various journalism workshops at Bloomsburg State College and Williamsport Area Community College. At the 1981 PSPA convention *Cynosure* took a first place.

Special activities and special people highlight every underclassman's high school year. This year was no exception.

The junior year is the last foothold before the big leap to becoming a senior. The class of 1983 faces the many decisions which will have a great effect on their lives.

The sophomore year is the year of transition. The class of 1984 faces the struggle for acceptance as upperclassmen.

The freshman year is a year of initiation. The class of 1985 faces the high school adjustments and the never ending struggling for acceptance.

And all these people which make up the underclasses are recorded on the following pages.

Students Prepare for Independent Life

At Selinsgrove there is a special group of young people who deserve particular mention. These individuals work hard each day to learn basic academic skills. These skills help to prepare these students for a more independent life style. Leisure time activites and hobbies are also learned to enrich the students free time hours. Simple Home Economics skills are part of every day, as well as pre-vocational training. All of these training and learning skills are geared to a greater independent life for these students in the future.

Special teachers highlight every school year. This year is no exception.

The English team wrote their ways into our lives. And the social studies team enriched our minds with knowledge of our world.

The math team challenged the capabilities of our minds. As did the science team.

The business team became a part of our lives by enriching us with knowledge of the economic world.

We received information about the human body and how to keep it fit from the physical education department.

Our lives were kept in tune with help from the music department and we were given moral support from the counselors.

With the help of the support staff our school was kept in perfect running condition.

And all these people are recorded on the following pages.

Another Brick in the Wall

Team Write Their Way Into Our Lives

The faculty associated with English offers more elective courses than any other department or team and is the largest of these faculty groups in the building. The members of this team put emphasis on discipline and thoroughness in the study of English language.

Introduction to film is a new course offered this year by the English team. In addition to a new course, there have been two new additions to the staff, Mrs. Linda Brophy and Mrs. Kathy Rowe.

Science Faculty Aims High

The faculty associated with science has the goal of providing the most up to date curriculum and best possible science education. In their effort to keep the curriculum up to date, the faculty members of the science department are constantly attending professional conferences.

The education fieldtrips provided by the science faculty included the trip to the Smithsonian Institute, the National Zoo in Washington D.C., and Penn State's nuclear reactor.

This year Mr. Fausey became the new chemistry instructor, replacing Mr. Kissinger, who retired.

Unified Arts Faculty Teach Basics

The faculty associated with Unifired Arts helps students learn the importance of working in agriculture with metal and wood, and with home economics. There are several new courses offered this year: Electronics, Mechanical Drawing, and Architectural Drawing. These courses are offered with many other courses such as metal, wood, graphic arts, horticulture, home economics and vo-ag.

Mr. Smoker, an Industrial Arts teacher, has successfully completed 35 years of teaching. Mrs. Pauling is a new teacher on the Unified Arts team.

Algebra, Geometry and Now Computers

The faculty associated with mathematics offers a curriculum which is broad enough to meet the needs of their students. There were thirteen courses offered to the students which included, business maths, college preparatory maths and computer science.

Since computers are central to all maths one goal of the mathematics team is to make all their teachers familiar with the computer system.

New Ideas Aid Health and Physical Education Faculty

The faculty associated with health and physical education pass along the important knowledge of their fields to their students. They are making use of new materials, improving qualities of previous materials, and providing factual information to facilitate decision making in the areas of drug use, alcohol use, and physical fitness. New equipment and ideas are being introduced in all areas: cross country skiing, new ping pong units, and square dancing are new areas of instruction for physical education.

Cultural Studies Faculty Enrich Our Lives

The faculty associated with the cultural studies; as all the teachers at Selinsgrove Area High School, play an important role in the academic lives of the students. The three languages German, French, and Spanish, are offered to those students who wish to enrich their knowledge. The students may experience self expression in the art and music fields. Cultural Studies also include the courses dealing with the humanities. A student may learn insight and the appreciation of oneself and other people in different lands and at different times. Cultural studies seem to always change and the people involved with them are always re-evaluating this ongoing process.

Social Science Team Revises Curriculum

The faculty associated with social studies works hard each year planning electives that will attract more students. Mr. Beddall, who replaced Mr. Strocko, is a new member of the social studies team. He teaches American Cultures and Civics. The team is working on new ideas for the upcoming years. One idea is dividing the American Cultures class and forming a General Business class and a College Preparatory class. Another idea is the possibility of forming a Current Events class for the following year. The social studies team will continue to offer a superb program in the future as they have in the past.

Special Community Members and special businesses helped to produce the *Cynosure* and make it available to many people.

These people advertised insurance, transportation, construction, and various products to make possible another publication.

They purchased space within the *Cynosure* and because of their generosity, the people and events of the 1981-1982 school year are recorded on these pages.

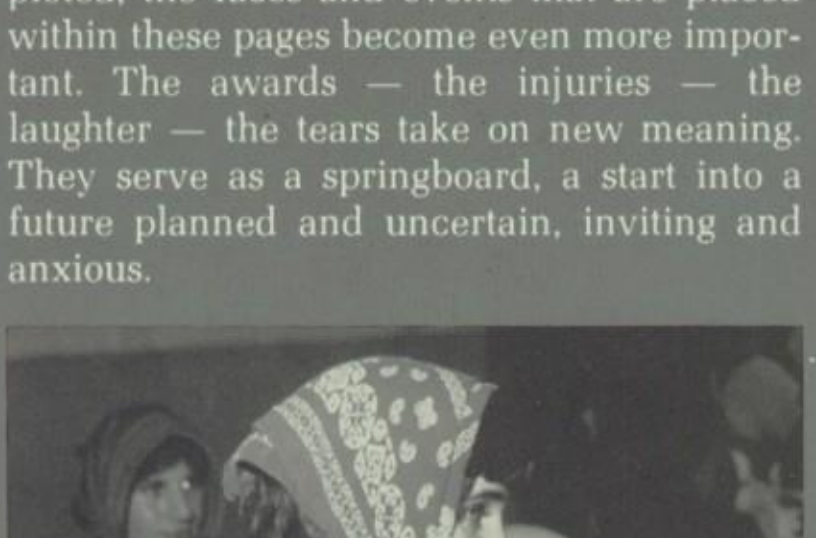
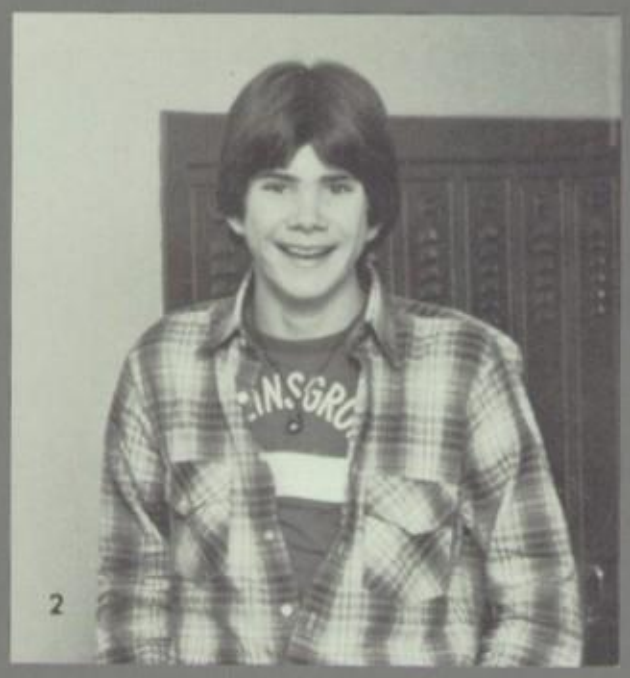
The Record Completed

As the chronicle of the class of 1982 is completed, the faces and events that are placed within these pages become even more important. The awards — the injuries — the laughter — the tears take on new meaning. They serve as a springboard, a start into a future planned and uncertain, inviting and anxious.





Opposite Page:
1. J. Newman as one of the "Eight Maids a Milkin'" in the White Christmas skit. 2. L. Wenrick decorates the Denim Den in downtown Selinsgrove for White Christmas. 3. J. Herrold disguises herself as a partridge in a pear tree. 4. Mr. Smoker acts like one of the kids.

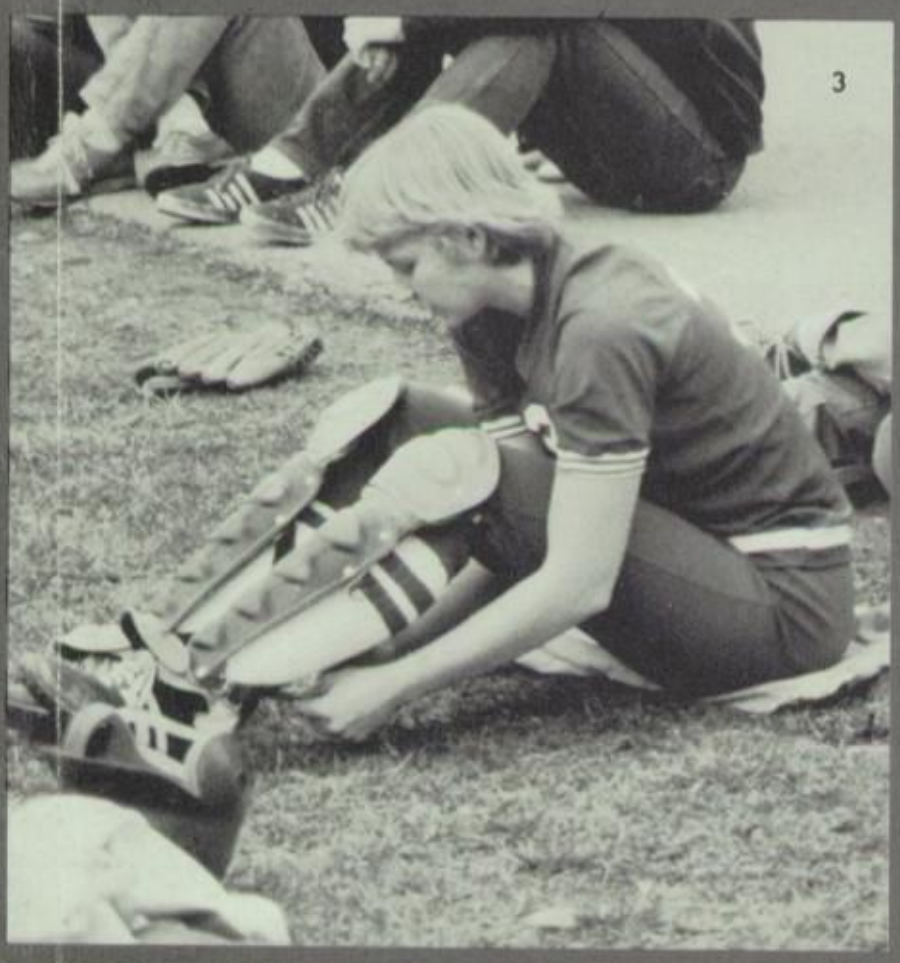
This Page:
1. M. Long and T. Myers talk as they hang-out in the downstairs hallway. 2. C. Haines smiles with school spirit. 3. Many couples enjoyed the White Christmas Dance like J. Holdren and C. Mowry.

1. M. Reed sells candy for Student Council at a basketball game. 2. G. Kline takes time out from his project to tell a "whopper."

As we enter into the future, the record of these memories we made together help us to see our direction. They help us to remember the "Smiles we gave to one another" and the ideas and people from whom we learned. And, perhaps, "Whenever we remember", we will be helped in going on to exchange more smiles and make more memories.

The Future Begun

1. C. Pope, K. Wendt, G. Ross, J. Newman, B. Newman and R. Riegel attempt some acrobatics. 2. M. Lutze makes a beautiful catch against Line Mountain. 3. K. Schlingmann puts on her catcher's uniform. 4. B. Smilie warms up for band.



Memories
Light the corners of my mind.
Misty, watercolor memories
of the way we were.
Scattered pictures
of the smiles we left behind,
Smiles we gave to one another
for the way we were.
Can it be that it was all so simple then,
or has time rewritten every line?
If we had the chance to do it all again,
Tell me would we?
Could we?

Memories
May be beautiful, and yet,
What's too painful to remember
We simply choose to forget.
So it's the laughter
We will remember,
Whenever we remember;
The way we were;
The way we were.

Don-

What can I say to a damn sexy guy? Except "_____"! Well I'm glad that I got to know you better, and we've had a lot of fun this year. Remember when I came to see you play basketball - that was the first game I was to ever. Remember the fun 5th period and how we cheated on tests, by the way thanks for the answers! You're a really nice guy, and you're a lot of fun. I'll miss you a lot so please take care of yourself...

Love, RIMA

Nicole

Don,

You're a really super nice guy. I'm glad I got to meet you this year. I'll always remember us at the great times on our basketball bus and the time I got a room at the Days Inn and got a room with a waterbed. Remember? I wish you the best of luck with everything you do in the future, and I hope you get the chance to come back to see us at S.H.S. Have a great summer, and I hope to see you sometime over the summer!!

Don,
Nicole

while I'm in the future, unless you're too busy in school and summer and A.V.G.F.A. and hunting to stay out of trouble! I'm a lot like you, I love always Angie

- Don't look to a super great person always laughing with everything. Just you are all of those classes we had at SHS and remember Bio II and the time when we had to play tennis this summer? Are you still going to be a great guy like you are? Don't sleep. It was that boring! Don't forget to write. Hope to see you in basketball! Best of luck to you

Don,
To a very nice and cute gum bum!! We were the first to sign each others yearbooks - isn't that great? Always remember our great Bio class (swift kick) and Expos class. Take care and I really wish you the best at college. I just hope you don't make fun of anyone else like you do me. eh? Keep in touch. Love,
P.S. what a Kendy
funny pen!!!

Don -
To a super good-looking guy with a personality to match. Thanks for all the great times I enjoyed cheering for the varsity basketball (Even though I had practically to drag you away from your studying at your graduation party) Your friendship and caring & success in me & your future was what I needed & more than you'll ever know. I'll miss you so much & hope to hear from you! Stay as nice & sweet the love - luck & happiness in the world & one day I'll see you again. Best wishes & keep in touch! deserve you're all the best. Please

Love Ya.

Don,
To a super-sweet guy! I can't beleive that you are a senior and you won't be here next year. I won't get to wait for you after basketball games and take you home! God- I'm really gonna miss ya! We've had some really great times together at Basketball and Algebra last year- (you must admit we all keep that class alive!) Through basketball we seemed to be real good friends and after that we just never talked anymore! I still think your a super friend and I hope you don't just forget about me when you become a pro- basketball coach! I've always wanted to say that when you were going out with Cindy that I never said ANYthing about it. (contrary to popular belief) In fact I yelled at my friends every time that they said anything to you! At the time it didn't matter what you thought but I don't want you to have that opinion of me! I realize that your friend ship probably means more to me than mine means to you, but I'd still like you to keep in touch. And I would really like to play tennis with you sometime this summer. I'll even re-bound B-balls for ya again if your in need of someone. Sometime if you want to drive my car when you get a chance, maybe I'll let you! I'm sorry I took up this much of your paige! Remember all the good times we've had together! AFA RMA KIT 5

Love,

Don-
We've been friends for quite a while. But this year's brought us closer together. I'll never forget World Geography this year and all the crazy things we said and did!! like the filmstrips and talks and the cute little comments we all exchanged. I think you're got great legs and you get better looking everyday. I'm not just saying that, either. I can't believe the P.S. you put in my yearbook! Remember when our families we used to go cut down Christmas trees together - I hardly knew you then! Well, I wish you best wishes and please try to keep in touch. Too bad we're not going to Colgate together. Or Gettysburg! Could be fun. Best wishes - '82'

Love Chris Anne
